FRONT NECK SHAPING:

Continue to work in patt, working both shoulders at the same time, placing center 20 (22, 24) sts on holder. Continue in patt decreasing 1 sts every row at each neck edge 3 times. Work remaining 13 (16, 19) sts until each front piece measures 13 (15, 17)". Bind off (BO) shoulders sts or place on st holder for the 3 needle BO method.

BACK:

In Color A, CO 52 (60, 68) sts and work seed st same as front. Work entire sweater back in Color A, until back measures 13 (15, 17)". BO 13 (16, 19) sts for each shoulder or place them on stitch holders for the 3 needle BO method. Place remaining neck 26 (31, 33) sts on holder. Join shoulder seams together.

SLEEVES:

Sleeve is knit from top down. It is not knit in the round but a circular needle can be used. In Color A, beginning 4.5 (5, 6)" from shoulder seam, mark back and front distance from shoulder before picking up sleeve sts. With right side facing you, beginning at one marker, pick up (PU) 48 (52, 62) sts dividing sts evenly between front and back markers. Do not join sleeve. Work back and forth on the needle in stockinette stitch until sleeve measures 1.75 (2.75, 3.75)". Work 3 rows of K1, P1 seed st for cuff. BO cuff sts.

NECK EDGING:

With RS of garment facing you, PU 72 (74, 80) sts around neck opening including those on st holder. Work 5 rnds in stockinette st. Let edging roll over.

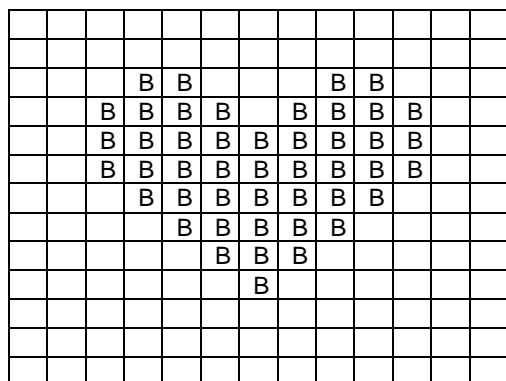

FINISHING:

Sew sleeve and side seams together. Weave pink ribbon through sleeve and tie in bow. With Color D, single crochet around hem of sweater. Lightly block sweater. Embellish sweater with buttons and beads and ribbon as indicated, or get creative with your own imagination. Have fun!
